

I, Kenneth L. Driessen, being a candidate for Representative of Wisconsin's 7<sup>th</sup> District in the United States Congress in this November 6<sup>th</sup> 2018 election, do affirm the following:

I affirm, that if by my hard work and by chance, by the free choice of the majority of the 7<sup>th</sup> District's voters, I become the 7<sup>th</sup> District Representative that I will donate 1/2 of my salary to a non-profit incorporated foundation with the purpose, a mission statement, a vision to design and implement a system where every citizen, every 7<sup>th</sup> District registered voter, who chooses to do so, can participate, can vote on every law and appropriation presented before the House of Representatives for a vote, during my term as a representative of the 7<sup>th</sup> district. Additionally I Affirm that I will enter the vote of the majority of those participants regardless of my personal opinion on those Acts of Congress and legislation to be voted into law on the floor of the House of Representatives of the 116<sup>th</sup> Congress. Although I believe I already have a computerized on line system to allow people to vote from a personal computer or smart phone and I can utilize a scantron-type system to count ballots sent through the mail to allow citizens who do not like computers to also vote by the time I am sworn into office; if unforeseen problems should occur and I fail to implement a satisfactory system to allow registered voters to participate in such fashion described here, within the first six months of my holding the Congressional Representative seat, I could be asked to resign for failing to abide by this affirmation. If I would somehow change my mind and not work to the best of my ability to implement and allow registered voters to vote on the law and appropriation before Congress and enter the vote of the majority, I realize that I could face criminal perjury charges and may be held civilly liable for deceiving the citizens of this Wisconsin 7<sup>th</sup> District by signing this affirmation and not doing my very best to adhere to it.
